Updates

Content writing:

- Wrote the content for Eco-Friendly Heating Systems

Notes from your account manager:

This week we worked on your content, we wrote a new landing page with a word count of 1387. Quality content helps to attract the right audience to your website, engage them and work towards getting the user to take action on your website. If the user finds the content valuable, then they are more likely to share it. Also, it helps google ranking your page and target it towards the right people.
